J. C. Ryle | *Holiness*

Keep before your mind, as an ever-present truth, that the Lord Jesus is an actual, living Person, and deal with Him as such.

I fear the personality of our Lord is sadly lost sight of by many professors in the present day. Their talk is more about salvation than the Savior – more about redemption than about the Redeemer – more about justification than about Jesus – more about Christ's work than about Christ's person...

J. C. Ryle | *Holiness*

As ever you would grow in grace and have joy and peace in believing, beware of falling into this error. Cease to regard the Gospel as a mere collection of dry doctrines. Look at it rather as the revelation of a mightily, living Being in whose sight you are daily to live. Cease to regard it as a mere set of abstract propositions and abstruse principles and rules. Look at it as the introduction to a glorious, personal friend... There is all the difference in the world between an idea and a person.
